Subject: Re: Reminder: PREDICT Executive Board Call - Monday August 31 @ 11:00AM Pacific

Here is the information I pulled on authorship and acknowledgments. Some of this is more or less relevant due to our large group. I hope it can provide some structure or language as we build our acknowledgment list. This is a simple, public, notes doc, so if people have a resource that they like, or if anyone thinks some of this is not relevant, please go ahead and comment on the doc freely.
